Subject: R1309011 Email Ruling Extending Deadline for Reply Comments

This Email Ruling extends the deadline to file reply comments to the May 20, 2016 Ruling. As further described below, parties in Rulemaking (R.) 13-09-011 shall file reply comments no later than Friday, July 15, 2016.

On Friday, July 1, 2016, Olivine, Inc. requested a one business day extension to file opening comments to the May 20, 2016 Ruling. Olivine explained that they were awaiting the processing of data and information that would inform their response. Olivine polled the other parties to this proceeding and no party objected to the requested extension. In response, Pacific Gas and Electric Company (PG&E) noted that since this data, information and/or analysis referenced by Olivine may not already be in the record for this case, PG&E may need additional time to prepare its reply comments. PG&E requested that, if Olivine's request for an extension is granted, the deadline for reply comments be extended from July 11, 2016 to July 15, 2016.

On Tuesday, July 5, 2016, Olivine's request for a one business day extension was granted via email by an Assistant Chief Administrative Law Judge in the absence of the assigned Administrative Law Judge. The email noted that the request to extend the deadline for reply comments would be addressed via a later ruling by the assigned Administrative Law Judge. This email Ruling memorializes the granting of that extension and addresses the request for an extension to file reply comments, as discussed below.

On Friday, July 8, 2016, the Joint Demand Response Parties echoed the request by PG&E to extend the deadline for reply comments. The Joint Demand Response Parties expressed support for the extension but believe that an additional extension of time to Monday, July 18, 2016, to file reply comments is necessary in order to provide parties adequate time to digest and review detailed comments filed by eighteen parties. The Joint Demand Response Parties noted that, given the intervening holiday, only four business days were allotted for reply comments.

It is reasonable to provide an extension for filing reply comments to the May 20, 2016 Ruling. Four business days are not ample. However, four additional business days are sufficient for reply comments.

IT IS RULED that

1. The request by Pacific Gas and Electric Company and Joint Demand Response Parties to extend the deadline for filing reply comments to the May 20, 2016 Ruling in Rulemaking 13-09-011 is granted.
2. Parties shall file reply comments no later than Friday, July 15, 2016.

The Docket Office shall formally file this Email Ruling.
